MEMORANDUM FOR: The Director of Central Intelligence   
FROM : Acting Presidential Briefing Coordinator  
SUBJECT : NIO Meeting Items 

25X1

1. In preparation for tomorrow's NIO meeting, you may want to review the attached folders on Albania and Romania. 

25X1

2. Note that the Albania item was originally scheduled for the 10 January Presidential Brief. It has since been replaced by Afghanistan, Pakistan and a possible presentation by Mr. Bowie regarding perceived trends in the world and how they might impact on US foreign policy 

25X1

3. If the presentation by Mr. Bowie does not go on 10 January, you may want to substitute either the Albania or Romania item. I believe the Romania topic may have more relevance at this point in time.
